IN RE: Application of Inacom Communications, Inc.)	ORDER CANCELLING
for a Certificate of Public Convenience and)	CERTIFICATE
Necessity to Provide Intrastate Resold)	
Telecommunications Services.)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Inacom Communications, Inc. (“Inacom” or the “Company”) to cancel the Company’s Certificate of Public Convenience and Necessity to provide intrastate resold telecommunications services in the State of South Carolina. A review of the Commission’s records reveals that the Commission granted Inacom authority to operate as a reseller of telecommunications services by Order No. 95-797, dated April 3, 1995.

By letter filed October 20, 2005, Inacom requests cancellation of the Company’s Certificate of Public Convenience and Necessity. According to Inacom, the Company filed bankruptcy on June 16, 2000.

As Inacom is no longer providing the services for which the Company’s Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Inacom’s Certificate of Public Convenience and Necessity to provide resold intrastate telecommunications services in the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold intrastate telecommunications services in South Carolina authorized by Order No. 95-797, dated April 3, 1995, issued in the instant docket to Inacom Communications, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
